Story and pictures by Pfc. Jung, Jung-Woo

The 8th Military Police Brigade conducted an external evaluation or EXEVAL of the 728th Military Police Battalion February 20 - 24 at the 728th MP Bn.'s headquarters in Camp Henry, Daegu. The purpose of this EXEVAL was to review the battalion's ability to perform its missions during wartime and to assess how well the exercise scenarios coincide with real life scenarios.

This exercise was performed by the staff and by the subordinate company headquarters of the 728th MP Bn. with a high level of security, because of the sensitive na-

**SSG King, 728th Military Police Bn signs in at the access control point during the EXEVAL. Photo by Pfc. Jung, Jung-Woo**

ture of the war plans which were tested.

Some of the mission essential task list or METL tasks were evaluated including the battalion's ability to: transition to war; conduct security operations; plan and direct maneuver and mobility support operations;

conduct law and order operation, and to conduct police intelligence and force protection operations.

A team of observer/controllers, or O/Cs from the brigade evaluated the exercise as well as coached and

### Force Protection Information

The U.S. Forces Korea Civil Gathering Hotline is an automated recording, updated daily intended to inform service members and their families across the Korean peninsula about ongoing pro or anti U.S. civil gatherings. When on post simply dial **115**. The hotline informs callers about the dates and times of scheduled civil gathering as well as locations.

If you find yourself in one of these areas and need assistance simply call **112** for the Korean National Police. If in Seoul dial **02-7914-3004** or **3005** for Yongsan's military police.

If in other area of Korea, soldiers and their families can refer to the emergency phone numbers on the USFK SOFA card.

**Reminder:** All USFK Personnel and their family members are required to carry a SOFA card at all times. Be safe and use the Buddy System

## From EXEVAL, page 1

mentored the battalion's staff and leadership. They also assessed the battalion's personnel, intelligence, operations, training, supply, communications, and nuclear, biological and chemical (NBC) staff sections. They also checked the battalions ability to communicate with their subordinate companies.

"We (personnel from the BDE S3, S2, and each company of the 728<sup>th</sup>) operated the exercise control headquarters, or ECH. Our job was to replicate all outside agencies and organizations that the 728<sup>th</sup> interacts

with during the exercise as well as their subordinate units. We also provided all the MSELs (Master Scenario Events List), which are the individual events that are developed to help the Bn Commander and his staff achieve the Commanders training objectives" said Maj. Pierce, exercise controller from the brigade S-3.

Each section performed their wartime tasks and checked their ability to track the status of their missions and to perform the functions required to do their mission. They also gave ideas to the headquarters for how to improve and how to accomplish their mission better.

The 188<sup>th</sup> Military Police Company along with the other companies of the 728<sup>th</sup> MP Bn, participated in the EXEVAL. The 188<sup>th</sup> MP Co. conducted their support from Camp Henry.

"The company assesses its operations during the conduct of its wartime mission. It is important to perform the training according to the commander's intent. We always set the standard of success by making sure we have the right commander's intent." said MSG

Vogt, 188<sup>th</sup> MP Co, "We have prepared for the EXEVAL during Sergeant's time and are following the exercise plan of 728<sup>th</sup> MP Bn."

The 728<sup>th</sup> MP Bn. received essential assessments about their ability to conduct their wartime mission during this EXEVAL. The EXEVAL is a great opportunity for commanders to obtain an objective external assessment of their units' abilities and to develop ways to improve. In addition, this type of exercise provides commanders and soldiers an idea of what to expect when called on to do their wartime missions.

A soldier assigned to the 188<sup>th</sup> Military Police Company checks a report on his computer during the EXEVAL.

## 728헌병대대 훈련평가

**Pfc. Stephen Sahl, assigned to the 188th Military Police Company, updates a report during the EXEVAL. Photo by Pfc. Jung, Jung-Woo**

Translation to Hangul by Pfc. Jung, Jung-Woo

**7**28헌병대대는 2005년 2월 20일에서 2월 24일까지 5일에 걸쳐 대구 캠프 헨리에 있는 728헌병대대 본부에서 훈련평가를 실시했다. 훈련평가의 목적은 각 부서에서 수행하는 임무들이 전시상황에서 얼마나 잘 수행될 수 있는지 알아보고 훈련이 어떻게 진행되며 실제 시나리오에서는 어떻게 전개될 것인가를 평가하는 것이었다.

이번 훈련평가는 728헌병대대의 중대 본부의 모든 간부들에 의해 행해졌으며 전시 작전의 특성

상 모든 훈련평가 과정은 높은 보안하에 진행되었다.

일부 임무의 본질적인 업무는 대대의 능력에 속하는 전시 상황에 따른 변화, 보안 작전의 지휘, 전략의 계획과 통제, 지원작전의 이동성, 그리고 헌병의 정보와 부대 방어 작전 등을 포함하고 있었다.

여단에서 파견된 관찰자와 관리자로 구성된 팀들은 대대의 리더쉽을 지도하고 조언했다. 그들은 또한 대대의 요원, 정보, 작전, 훈련, 보급, 통신, 화생방 작전 지휘소 등을 평가했다. 그리고 예하부대와 협력하여 업무를 처리하는 능력도 확인했다.

여단의 작전과 Pierce 소령은 “우리는(여단 작전과, 정보과, 그리고 728헌병대대의 각 중대) 본부를 조절하는 연습을 했습니다. 우리의 업무는 728헌병대대와 예하 부대가 연습 기간 동안 영향을 끼치는

모든 외부의 기관과 조직을 모사하는 것이었습니다. 또한 대대장과 간부들이 여단장의 훈련 목적을 달성할 수 있도록 돕는 모든 MSEL을 제공했습니다.”라고 말했다.

각 부서들은 5일 간의 훈련평가 기간 동안 원래 맡고 있는 업무를 수행하면서 차량상태나 그들의 임무에 필요한 기능 등을 점검하였다. 훈련평가 중에 도움이 될만한 더 좋은 아이디어를 내놓기도 했다.

728헌병대대와 함께 728헌병대대의 예하부대인 188헌병중대도 동시에 훈련평가를 실시했다. 188헌병중대는 중대본부가 있는 캠프 위커에서 훈련평가를 지휘했다.

188헌병중대의 상사 Vogt는 “중대에서는 전시의 주어진 기회에서의 작전을 평가합니다. 지휘관의 작전에 따라 훈련을 얼마나 잘 해내느냐가 중요합니다. 그래서 항상 확실한 판단을 내릴 수 있도록 성공을 위한 기준을 정하고 있습니다. 그리고 훈련평가를 위한 준비는 주로 서전즈 타임을 통해서 하고 있고 대대의 연습 계획을 따르고 있습니다.”라고 말했다.

이번 훈련평가를 통해 728헌병대대는 전시 임무에 대해서 본질적이고 자세한 평가를 받을 수 있었다. 이런 방식의 연습은 모든 지휘관과 병사들이 전시 상황에서 임무를 보다 잘 예상하여 수행할 수 있도록 하기 때문에 큰 도움이 된다.

## Combined/Joint Provost Marshal Office

Story and pictures by Pfc. Jung, Jung-Woo, Watchdog photo journalist

If you have entered the 8<sup>th</sup> Military Police Brigade building through the main door, then you might have noticed the Combined/Joint Provost Marshal Office or C/J PMO. Everyone passes by the office everyday, but not all soldiers know what the office does or how the office is organized.

The C/J PMO was formally called the Provost Marshal Joint, and consisted of U.S. Army and U.S. Air Force Military Police. The C/J PMO was authorized on December 19, 2003 and started their formal operations in March 2004. Col. Falkner Heard III held a ceremony to dedicate a plaque recognizing the C/J PMO in October 2004.

The C/J PMO consisted of the Security Division, the SOFA Support Division (SSD), the Law Enforcement Division, and the Operations Division. When the 14<sup>th</sup> Military Police Detachment was activated as part of the 8<sup>th</sup> Military Police Brigade, the Security Division, the Law Enforcement Division, and the SOFA Support Division were moved to the 14<sup>th</sup> MP Det., but they still receive their mission from the C/J PMO. Now only the Operations Division is assigned to the C/J PMO. The head of C/J PMO Operations is Lt. Col. McRee, and is comprised of Capt. McCully and Capt. Poulin (operation officers), 2<sup>nd</sup> Lt. McGill (vulnerability offi-

**Col. Falkner Heard III and the C/J PMO staff during the presentation of the plaque, October 25, 2004, for the Combined/Joint Provost Marshal Office. Photo by Pfc. Van M. Tran**

cer), MSG Zolno (office operations), and Pfc. Min, Shin-Hong (administrative support).

When the U.S. Military Police want to carry out an operation, they usually need the help of the ROK Military Police because they are stationed in Korea and are not able to work independently off US military bases. So the U.S. side of C/J PMO coordinates with their ROK counterparts for assistance. They also plan for and coordinate for the establishment of prisoner of war camps during hostilities and are concerned with the procedures to evacuate prisoners of war.

There are also the Protective Service Detail, or PSD, and the Special Reaction Team, or SRT, that receive missions from the C/J PMO. The C/J PMO manage, task, and coordinate for their training. C/J PMO

also develops support for the ceremonies of the Combined Forces Command or CFC.

On the ROK side of the C/J PMO there is a ROK officer with a rank of Lt. Col. that has the duties of the Deputy Provost Marshal. But the Deputy Provost Marshal position is currently vacant after Lt. Col. Lee, Beom-Jae moved to the another unit. Currently working in the office are Maj. Lee, Won-Jae (operation officer from the ROK Army), Capt. Park, Jae-Wook (operation officer of ROK Navy), MSG Kwon, Seung-Won, (operations NCO), Cpl. Chae, Jong-Hoon (administrative support).

The Korean side of the C/J PMO has various duties. In general, they have a role as a connecting link between the

**See C/J PMO, page 5**

## From Warfighter, page 4

U.S. MPs and the ROK MPs. They plan operations for the RSO&I (Reception Staging Onward & Integration) exercise and for the UFL (Ulchi Focus Lens) exercise and perform these operations at CP Tango. They also support ceremonies for the CFC (in the same manner as the U.S.

side does) and review OPLANs (operational plans) at the CFC level. Last year, for example, they gave active support to the Gwangju convoy missions that deployed the Patriot Missile unit.

The C/J PMO serves as a symbol of the cooperation be-

tween the ROK MPs and the U.S. MPs. It has existed for only a little over a year, but the C/J PMO will increase the relationship between the two nations and serves the need for law enforcement, security, and the associated supporting tasks.

## 한미연합사헌병참모실

Hangul story by Pfc. Jung, Jung-Woo,  
Watchdog photo journalist

여 단 정문을 통해 여단에 오는 사람이라면 누구든지 정문 근처에 있는 한미연합사헌병참모실을 볼 수 있다. 매일 지나치는 곳이지만 모두가 그곳이 무엇을 하는 곳인지 잘 아는 것은 아니다.

한미연합사헌병참모실의 전신은 헌병참모실로 미육군과 미공군

의 헌병이 연합하여 작전을 지휘하던 곳이었다. 한미연합사헌병참모실은 2003년 12월에 인가가 났고 2004년 3월부터 정식으로 출범하게 되었다. 2004년 10월에는 8헌병 여단 여단장 Falkner Heard III 대령이 현판을 수여하는 행사도 가졌었다.

한미연합사헌병참모실은 보안과, 세관, 치안과, 작전과로 나뉘어졌는데 보안과, 세관, 치안과가 2004년 10월에 14헌병대가 8헌병 여단에서 분리되어 나가면서 옮겨갔기 때문에 현재는 작전과만 남아있다. 작전과는 McRee 중령이 맡고 있으며 McCulley 대위, 작전장교 Poulin 대위와 합동경찰정보국의 보고를 담당하는 McGill 소위, 사무실의 운영을 담당하는 Zolno 상사, 그리고 운영업무를 맡고 있는 민신흥 일병이 있다.

미군측에서는 한국에 주둔하고 있는 상황 때문에 작전을 전개할 경우 한측의 도움이 필요한 경우가 많다. 그래서 각종 작전상 한국 헌병의 도움이 필요할 경우 요청하는 일을 한다. 그리고 적 포로와 관

The letters of the plaque mean Combined/Joint Provost Marshal Office.  
Photo by Pfc. Jung, Jung-Woo

련하여 수용소 설치나 포로의 후송 같은 일을 한다. 헌병참모실 소속으로 한미연합사령관경호팀과 특경대가 있는데 이들의 관리와 인증, 훈련을 주최하고 있다. 또한 한미연합 행사시 행사지원 업무 또한 이곳의 일 중 하나이다.

한측에서는 중령급의 장교가 헌병참모실의 부참모를 맡는다. 현재는 전 헌병부참모를 맡은 이범

Cpl. Chae, ROK Army soldier works in the C/J PMO Photo by Pfc. Jung, Jung-Woo

See C/J PMO, page 6

## Page 6

## From C/J PMO, page 5

재 중령이 떠난 후 공석으로 남아 있다. 부참모 아래로 윤군작전장교인 이범재 소령, 해군장전장교인 박재욱 대위, 사무실 운영을 담당하는 권승원 상사, 채종훈 상병이 있다.

한미연합사헌병참모실에서 근무하는 한국군 인원이 하는 일은 다양하다. 일반적으로 모든 작전에서 미군과 한국군의 중간자 역할을

해서 서로를 연결시켜 준다. 연합증원전시 연습이나 을지포커스랜즈같은 연습 때 연합작전계획을 세우고 캠프 탱고에서 작전을 실행한다. 그리고 연합사에서 행사가 있을 때 헌병지원을 하고 주요예하사령부의 작전계획을 한미연합사 차원에서 재검토하는 일도 하고 있다. 2004년에는 미군에서 패트리엇 미사일을 광주에 배치할 때의 호송업무를

를 지원하기도 했다.

한미연합사헌병참모실은 한국군헌병과 미군헌병의 협력을 상징하며 올해로 2년 제가 되면서 그 위상이 높아지고 있다. 아직 출범한지 오래 되지 않았지만 앞으로 한미연합사헌병참모실은 한국과 미국의 관계를 돈독히 하고 국내의 치안과 방어, 지원 업무를 위해 존재할 것이다.

## KATUSA Soldiers Don the National Flag of Korea

Story and pictures by Pfc. Jung, Jung-Woo

The 8<sup>th</sup> Army ROK Support Group decided to attach the Taegeukki, the national flag of Korea, to the BDUs of over 4,000 of the KATUSA soldiers. The Taegeukki will be attached to the upper right sleeve; it will be attached in the same location that US soldiers have their nations' flag. The Taegeukki that will be attached to the BDU is 8.2 centimeters wide by 5.5 centimeters long.

The ROK Support Group mentioned that attaching the Taegeukki will motivate all the KATUSA soldiers, increase their fighting spirit and increase the working relations between United States' and Republic of Korea's Armies.

The U.S. Army, including U.S. Forces in Korea, started to attach the Stars and Stripes, the national flag of the United States, to the BDU of all soldiers in the U.S. Army in October, 2003.

Pfc. Rogerson with the Stars and Stripes and Pfc. Choi, Jung-Il with the Taegeukki, the national flag of Korea. Photo by Pfc. Jung, Jung-Woo

The addition of the Taegeukki will be completed no later than April of this year. All the costs associated with the addition will be paid by U.S. Forces Korea.

"I think it is on honor to me as a ROK Army soldier, and I am proud of it because not only KATUSAs but also U.S. personnel like it." said Pfc. Park, Jin-Bo, 8<sup>th</sup> Military Police Brigade, S-1. "At first, attaching the Tae-

geukki was strange to me, but I soon started to think of it proudly since the Taegeukki symbolizes many good things about Korea." said Pfc. Choi, Jung-Il, 14<sup>th</sup> Military Police Detachment, JPIC.

It is certain that the KATUSAs working in the 8<sup>th</sup> Military Police Brigade will work proudly while wearing the Taegeukki.

## 카투사 전투복에 태극기 부착

The Taegeukgi attached to the BDU is 8.2 centimeters wide by 5.5 centimeters long. Photo by Pfc. Jung, Jung-Woo

Translation to Hangul by Pfc. Jung, Jung-Woo

주한미군에 배속되어 미군 군복을 입고 복무하는 한국군 카투사 장병들의 전투복에 태극기 문양이 부착된다. 카투사 장병들의 전투복에 부착되는 태극기는 전투복 우측 소매에 부착되며 가로 8.2cm, 세로 5.5cm 크기이며 미군이 성조기를 부착한

곳과 같은 곳에 부착된다.

주한 미8군 한국군지원단은 카투사 장병들에게 한국군의 자긍심을 높이고 굳건한 한미동맹의 상징을 표시하기 위해 4천여명에 이르는 카투사 장병들의 전투복 오른쪽 소매에 태극문양을 부착하기로 결정했다고 밝혔다.

주한미군을 비롯한 미군은 2003년 10월부터 미육군 예하 전

장병이 전투복 우측 소매에 성조기를 부착하고 있다.

카투사 장병들의 태극문양 부착은 오는 4월까지 완료될 예정이며 문양 제작과 부착에 드는 비용은 주한미군측이 전액 부담하기로 했다.

8헌병여단 본부중대 인사과에 근무 중인 박진보 일병은 “자랑스런 대한민국 육군으로써 태극기를 오른쪽 어깨에 달 수 있음을 영광으로 생각하고 카투사들 뿐 만 아니라 미 측의 반응도 좋아 더욱 자랑스럽게 느껴진다.”라고 말했다. 또한 14헌병대의 합동경찰정보국에서 근무 중인 최정일 일병은 “처음에는 어색했지만 태극기를 달면서 대한민국이 가진 좋은 점들에 대한 자부심을 가질 수 있어서 좋았습니다.”라고 말했다.

8헌병여단의 카투사 장병들도 앞으로 더욱 자긍심을 가지고 군복무를 할 수 있게 되기를 기대한다.

### Cultural Notes

There is a Korean proverb that states a small pepper can be just as hot or hotter than a normal size pepper. The meaning behind the statement is don't measure anyone or any thing by its size.
